

Video Streaming Technician

Jubilee! is seeking a part time video streaming technician to live stream its Sunday Celebrations on Facebook and YouTube using Restream. The successful candidate must be available to work on Sundays from 9:30am to about 12 noon.

This job has two parts:

Part 1: Run the live stream from Jubilee! each Sunday morning: At 9:30am, start up streaming system, update system to reflect current service, test system. When the Sunday Celebration begins, start live streaming. System incorporates Google Chrome browser, Restream streaming service, Elgato Streamdeck, three PTZ cameras and automated/joystick controller.

Part 2: Using your own software such as Photoshop (or GIMP software on Jubilee! computer), prepare slide overlays for each Sunday Celebration based on lyrics and images provided by Jubilee! staff.

Training will be provided.

Send a cover letter and resume to administrator@jubileecommunity.org.
