

THE 2024 EARTH TEAM TOOLKIT

- Fundraising possibilities for the Earth Team
 - Selling T-shirts, coffee mugs, etc.
 - Bake sales or garage sales or...
 - Ticketed Nature experiences
- Educational topics and resources
 - Recycling in AVL
 - Reducing one's carbon footprint
 - Preferred grocery choices (and what too avoid)
 - Compositing tips
 - Learning about electric vehicles
- Movie Nights with follow-ups
 - Follow-ups could involve discussion, or ritual, or activities
 - Showings could be staged in various places
- Cultivating the love of Nature
 - Holding Reunions with Nature
 - Engaging with Rainbow School campus' projects
- Developing a regular Earth Team presence in the Jubilee! community
 - Celebration gifts
 - Newsletter articles
 - Jubilee! in Action alerts working with CCA, IP&L, NCWARN, etc.
- Ladders of engagement identifying what Jubilants can do at 3 levels of attention
- Eco-Corridor Project (in support of pollinators & the West AVL community)
- Start small groups of Jubilants as described in Joanna Macy's *Active Hope*
 - Short-term (one or two meetings) Progressive Brainstorming exploration
 - Longer-term (perhaps eight meetings over four months) Study-Action groups
